The evening's events began with Jim Rose presenting the SOOGA "Workhorse" Awards to Marty Miller (Alliance Petroleum), Kathy Hill (Blausler Energy) and Bob Matthey (Lippizan Petroleum). The "Workhorse" Award is given to members who have exemplified by their actions commitment to the goals of SOOGA for the betterment of the Oil & Gas Industry. The "Wildcatter" Outstanding Lifetime Achievement Award was presented to Hal Payne (Miller Supply). The "Wildcatter" Award is given to a member of SOOGA in good standing for at least five years prior to nomination. This award recognizes a lifetime of dedication to SOOGA and the Oil & Gas Industry. The "Past Presidents" Award went to Danny Thompson.
